Item 8.01. Other Events.

Chinos Intermediate Holdings A, Inc. (“Chinos A”), the indirect parent holding company of J.Crew Group, Inc. (the “Company”) is the issuer of \$500 million aggregate principal of 7.75/8.50% Senior PIK Toggle Notes due May 1, 2019 (the “PIK Notes”). The PIK Notes interest is payable semi-annually on May 1 and November 1 of each year.

On April 29, 2016, Chinos A delivered notice to U.S. Bank N.A., as trustee, under the Indenture governing the PIK Notes, that with respect to the interest that will be due on such notes on the November 1, 2016 interest payment date, Chinos A will make such interest payment by paying in kind at the PIK interest rate of 8.50% instead of paying in cash. The PIK election will increase the outstanding principal balance of the PIK Notes \$22.2 million to \$543.4 million.

Chinos A intends to continue to evaluate this option prior to the beginning of each interest period, taking into account the ability of Chinos A to elect to PIK pursuant to the terms of the PIK Notes and the indenture governing the PIK Notes and other relevant factors at that time.

As of April 29, 2016, the Company has approximately \$329 million of availability under its \$350 million ABL Facility with no borrowings outstanding. Any amounts outstanding under the ABL Facility are due and payable in full on December 10, 2019.

Forward-Looking Statements

Certain statements herein, related to the Company’s capital structure and the method of paying interest amounts on the PIK Notes, are “forward-looking statements” made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements reflect the Company’s current expectations or beliefs concerning future events and actual results of operations may differ materially from historical results or current expectations. Any such forward-looking statements are subject to various risks and uncertainties, including the Company’s substantial indebtedness and the indebtedness of its indirect parent, and other factors which are set forth in the section entitled “Risk Factors” and elsewhere in the Company’s Annual Report on Form 10-K and in all filings with the SEC made subsequent to the filing of the Form 10-K. The Company does not undertake to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
